## Single day Hire

Our team at The Barn at Pengelly will be on hand from 9am on the day of your wedding to work with you and your suppliers to dress the venue for an afternoon ceremony. Your ceremony can take place in our glass fronted barn or outside on the lower terrace, with both options taking advantage of the stunning views.

Once you've tied the knot, your guests can enjoy a glass of Pimms or bubbly from our drinks packages or make the most of our fully stocked bar. Whilst you have your photos taken, guests can make the most of our lawn games, before you sit down to dine from one of our hand picked caterers.

After your guests have raised a celebratory glass of fizz and watched your first dance, you can dance the night away with your friends and family before carriages arrive at midnight.

Single day hire is available on Monday and Tuesday's all year around.
