

Your Host

For nearly ten years from 2012 Roswarne House was being fully reinstated to its former Regency glory by us, its owners, Elizabeth and Reg Price. When you visit Roswarne you will see the dedication and care given to bring the house to modern standards, without compromise on the style and grandeur it possesses.

We wish to see as many as possible - from near and far - enjoy the house and its grounds as much as we do, as well as be entranced by the gardens and lawns that gently cover the six acres which lie within the walls of Holman Park. Generous accommodation afforded by the beautiful new apartments on the ground and first floors offer sleeping up to twenty two guests, and we will be glad to welcome groups as well as individuals.

Our Promise

Whether a celebration, a blessing, a wedding, remembrance, party, craft workshop, seminar or music recital, picnic or cream tea, we endeavour to ensure that your experience at Roswarne is the best it can be for your special event.

Kligabeth + Reg Price

Welcome

Roswarne House is a magical manor in the very heart of Cornwall located close to the thoroughfare of Camborne and only two miles from some of the county's best golden sand and blue sea. Its charm is enhanced by the beautiful lawns and gardens, particularly the rose garden.

Looking towards the stunning magnolia, Roswarne is blessed with a south facing Orangery that would originally - during the early 1800's when exotic fruit was much prized - have been used for over-wintering citrus plants.

The Orangery is constructed of monolithic granite columns with a fabulous terrazzo floor. The sun shines through the nine sash windows each three metres tall and opening for access onto the south lawn and the paradise garden.

The Garden

A secret pathway brings you into the rose garden with a huge variety of roses on white iron arches, and an arbour surrounded by camellias, azaleas and rhododendrons, not to mention hundreds of daffodils and narcissi.

Grandest of all is the centrepiece ancient magnolia on the upper lawn which makes an incredible photographic backdrop during the early spring along with the abundant carpet of bluebells.

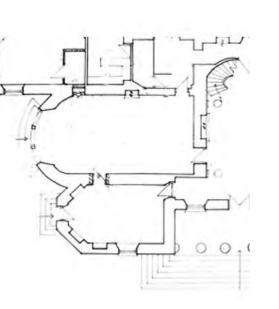

The Ballroom

Opposite the Drawing Room, this versatile suite is perfect for the ceremony and then an evening dance. It also doubles as a place for guests to prepare for the big day or to a take a rest during the event. Soft light pours through the curved windows complementing the superb chandeliers and up lit ceiling.

Facilities

Entering from the Grand Marble Hall, the Ballroom is large enough for fifty seated or a hundred dancing; and is equipped with a bar and kitchen, a very glamorous bathroom, utility and a secret door that leads to the Library Suite.

The Library

A hidden passage from the Ballroom will find you in this stunning room lavished in deep red velvets with its authentic furnishings, shuttered windows and a whole range of reading material. A perfect space to prepare for an event or recover from a day's entertainment.

Facilities

The Library has a private entrance door to the exterior for surprise entrances. A door hidden by a bookcase leads to the Ballroom and continues through to the glamorous gold bathroom, kitchen and utility.

The Drawing Room

A beautifully proportioned room with three full length patio doors leading to the Rose Garden. Plush sofas and furnishings add to the serenity of the room and lead in to the Blue Room and the Music Room with its incredible acoustics.

Kitchen & Anteroom

Cook or have chefs cater for you in this fully equipped catering kitchen with Aga, microwave, dishwasher, fridge freezer, wine cellar, double sink unit and storage. The Anteroom is adjacent and is used for laying out and serving canapes and drinks.

The Blue Room

Adjacent to the Drawing Room this versatile room allows for guests to prepare for the big day, or simply rest during a sparkling event. Light pours through from the southwest and in the evening giving this room lovely sunset lit views.

Bathrooms

The Garden Suite which includes the Blue Room is well serviced by a full bathroom off the Drawing Room and others through the Music Room or Orangery

The Orangery

A graceful and bright room opening directly onto the lawns. Serve canapes in the garden before gathering for luncheon or candlelit dinner. Retire to the Music Room or Drawing Room, or be the last dancer at midnight in the Ballroom.

Lawns & Gardens

Pitch a Tea Tent or Wedding Tent, take a picnic or cream tea and be captivated by the many hiding places that have been created to sit with friends or rest in admiration of the gardens. Let the children play games, dance, or just wonder...

The Loft Bridal Apartment

A hidden door leads from the Orangery into a dreamy escape pad via a French spiral staircase. A living area, shower room with WC and hideaway bedrooom is decorated with cloud lamps and the original rafters and lookout platform.

Other Apartments

Fern Court ground floor apartment sleeps four and is located on the opposite wing to the drawing room. All accommodation on the ground floor would sleep up to twelve guests, with another three apartments available on the first floor.
